It is highly recommended that students provide a link to a show reel of no more than 5 minutes. The show reel web link should be hosted on either Vimeo or YouTube and must be accompanied by text explaining the name of the production project, year of the production, and the production role performed by the applicant. It is recommended that the show reel be assembled specifically for this application process and contain highlights of the applicant's work. Where applicants have other work: short films, music videos or photography work, links to these may also be provided.

Please provide the link to the show reel below:
