Communication of additional information

The Spanish and Latin American Studies Programme noticeboard is in the corridor outside vZ515. Additional information or information on changes will be conveyed to students either via class, noticeboards, Blackboard, or email.

Prescription

This course is designed to introduce absolute beginners to the basics of the Spanish language through practice in speaking, listening, reading and writing. This course is for absolute beginners. It may not be taken by students with prior knowledge of the language.

Course content

This course introduces students to the basics of the Spanish language through practice in speaking, listening, reading and writing. The course is designed both as a foundation course for students intending to continue their studies in Spanish, and as a self-contained course for students seeking an introduction to Spanish pronunciation, elements of grammar, and basic vocabulary.

Course learning objectives

The objectives of the course are as follows. Students who pass this course will be able to:

1. understand simple spoken Spanish;
2. relate Spanish sounds to their written forms;
3. pronounce simple Spanish with a fair degree of accuracy and fluency;
4. demonstrate a knowledge of basic Spanish grammar;
5. write simple sentences using present and past tenses and employing a basic vocabulary;
6. demonstrate knowledge of the Spanish language appropriate to a variety of everyday situations.

Teaching format

This course is delivered through two one-hour lectures, a tutorial and an audiovisual class per week. The lectures will cover grammatical aspects of the Spanish language and the development of written skills. The tutorials will focus on the development of oral linguistic skills and the audiovisual classes will aim to develop listening comprehension skills. Both the tutorials and the audiovisual classes will require students' active participation in group exercises or activities.

Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

1. sit the written tests on the dates indicated;
2. complete the written assignment by the due date.

Workload

In order to maintain satisfactory progress in this 20-point, 200-hour course, students should expect to work on average 14 hours per week including contact hours - i.e., in the case of SPAN 111, **10 hours of private study outside class time**. A possible distribution of this time each week would be:

Class attendance	4 hours
Reading and reviewing class notes	2-4 hours
Tutorial / AV Class Preparation	2-4 hours
Workbook Exercises / Assignment Preparation	2-4 hours
Online Quizzes	30 minutes

Assessment

SPAN 111 is 100% internally assessed.

Assessment items and workload per item	%	CLO(s)	Due date
1 Written Test 1 (50 minutes)	20%	4, 5, 6	Wednesday 9 April
2 Written Test 2 (50 minutes)	25%	4, 5, 6	Wednesday 4 June

5 Audiovisual Test 2 (50 minutes)	15%	1, 2	Week 11
6 5 online verb and vocabulary quizzes	10%	4, 5, 6	Weeks 3, 5, 7, 9, 11
7 In-class oral assessment	10%	1, 2, 3	Weeks 2-11

The Course Programme (which also details the due dates for assessment items) and further information relating to the online quizzes and in-class oral assessment are supplied at the end of this course outline.

Submission and return of work

All assignments must include a cover sheet (available at the SLC Office on the 6th floor of von Zedlitz) and will also be available on Blackboard. Assignments are to be handed in to the Spanish and Latin American Studies Programme assignment slot located to the left of the SLC Office.

Students will be able to collect marked work from the SLC Office on the 6th floor of von Zedlitz between the hours of 10am and 2pm each day. A Student ID card will need to be shown to collect work. Coursework is generally returned within two weeks of submission. Uncollected work will be destroyed 3 months after the date of the final written test.

Presentation of assignments

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for corrections: leave a 4-centimetre margin and write on alternate lines (or double space if typing). Do not write in pencil.

Extensions and penalties

Extensions

Short extensions may be granted by the Course Coordinator for particular assignments if requested in writing prior to the hand-in date. Longer extensions will require appropriate supporting documentation.

Penalties

The due dates for the assignments given in the Course Programme must be adhered to. Although work may be accepted late in special circumstances, the Course Coordinator should always be contacted on or before the due dates if there is a problem. The penalty for work presented late without prior approval is a 5% deduction per day. Please note that up to a maximum of 5% may be deducted for poorly presented assignments.

Please note that no work for assessment will be accepted after 20 June 2014.

Tests and impairments

The dates of the tests given in the Course Programme must be adhered to. You should always sit a test if possible, obtaining a medical certificate if you wish to claim impairment. If you sit the test but believe your performance has been radically affected by some medical or other factors, inform the Course Co-ordinator immediately. If you fail the test, you may be able to claim impairment.

If it is quite impossible to sit a test, for severe medical, personal or family reasons, you should do everything possible to notify the Course Co-ordinator, if necessary through an Administrator, before the test, or to get a friend or family member to do so on your behalf. Only in cases of severe illness or other exceptionally difficult circumstances, which must normally be documented, can the Programme consider allowing students to sit a test at a different time from that indicated.

Student feedback

Enhancements made to this course, based on the feedback of previous students, will be discussed in class or delivered via Blackboard. Student feedback on University courses may be found at http://www.cad.vuw.ac.nz/feedback/feedback_display.php

Early Alerts (Course Signals)

This course is trialing the Early Alerts (Course Signals) System which aims to help students to be successful in their study at Victoria. The system is designed to help students assess their progress in their study, so that they can adjust their work effort or seek support early in the semester, to help them succeed.

Students will receive a traffic light signal through the course Blackboard page:

Green tick means high likelihood of succeeding in the course (if your progress does not decline).

Yellow triangle means potential problem with succeeding in the course (if your progress does not improve); and

Red cross means high likelihood of failing the course (if your progress does not improve);

Students will also receive email messages from their Course Coordinator via their Blackboard email address, which by default is their @myVUW account.

Student feedback is an important part of our evaluation of the Early Alert (Course Signals) System, and students will be invited to participate in a student survey at the end of the course.

If you would like to find out more about this pilot please contact Sheila Law, Team Lead, +64 4 463 5233 ext. 4845, or email sheila.law@vuw.ac.nz

PASS (Peer Assisted Study Support)

“Smart students know how to PASS”

PASS groups are weekly study sessions, led by students who excelled in the course last year. Study group leaders will not give you the answers, but can help you reinforce subject understanding and develop strategies for success.

Session times will be posted on Blackboard; **sign up online in Week 2; PASS begins in Week 3.**

SPAN 111 ONLINE VERB AND VOCABULARY QUIZZES

10% of the overall grade for SPAN 111 consists of 5 online quizzes. Each quiz is worth 2% of the overall grade for SPAN 111. The quizzes take place in weeks 3, 5, 7, 9 and 11. They will be made available for a week, so you can take them at a time of your choosing. There will be an announcement in class and on Blackboard to tell you when you can access them.

The quizzes assess basic vocabulary and grammar that have been covered in class. Students will be advised of what topics will be assessed before the quizzes. Please note that Blackboard does not automatically display your grade. Grades will be posted within two weeks.

There are a number of important points to note in relation to the quizzes:

- They will only be available for the period specified. If you do not complete the quiz within this timeframe you will receive 0% for this piece of assessment.
- The quizzes can only be taken once. Once started, they must be completed in one sitting.
- The quizzes have a set time limit of 30 minutes. This means that you must complete the quiz within 30 minutes of starting it.
- The quiz will save and submit automatically when the time expires.
- Warnings appear when half the time, 5 minutes, 1 minute, and 30 seconds remain.

QUIZ INSTRUCTIONS

1. Click on the **Quizzes** tab on the left hand side of the Blackboard Home Screen
2. Click on the Quiz you wish to complete.
3. Carefully read the instructions before beginning the quiz.
4. Click on **Begin** to start the quiz.
5. Once you have answered each question click **Save Answer** and move onto the next question. Please note that you cannot resubmit the answer or go back. Moving to another question will also save your response.
6. When you finish the last question click **Save and Submit**. Do not leave the quiz before clicking **Save and Submit**.

SPAN 111 IN-CLASS ORAL ASSESSMENT

Oral assessment in SPAN 111 is worth **10% of the final mark** and it will be carried out in the tutorial classes. The aim of tutorials is to improve oral expression and listening comprehension in Spanish. Also, students will work on the development of written skills. Classes will be structured around conversation exercises from the *Viajes* textbook and written exercises from the Workbook section of the Student Activities Manual.

Your tutor will take attendance in each class and give you a **mark out of 10** for your performance in each class. At the end of the trimester, you will be given a final mark based on your **highest 8 tutorial marks**. Attendance, thus, is not compulsory but if you only attend, for example, 6 out of the 10 tutorials, then your mark will be negatively affected as the sum of these 6 tutorial marks will then be divided by 8.

Below is a programme that indicates which exercises from the '**¡A conversar!**' sections of the textbook will be used in each tutorial class. This list will allow you to prepare for the tutorials in order to improve your performance. There may not always be time to do all the exercises in each tutorial but do try to prepare them all because they will also enhance your performance in other assessment components of SPAN 111, like the written tests, the assignment and the audiovisual tests.

The criteria that the tutors will use to assign your mark will be primarily the following: 1) **attendance**, 2) level of **preparation** of the assigned exercises, 3) oral **fluency**, 4) **pronunciation**, and 5) **participation** in group exercises or other activities.
