

# DANCE ROOM GUIDELINES

University Recreation Guidelines must be followed. Our values are respect, responsibility, fairness, integrity, and empathy. We expect all users to apply these values while using our facilities.

It is crucial that these session timings are adhered to as we have bookings that are taking place after.

- The Dance Room will operate as a shared space during Casual hours. Please be respectful of other users and share the space. We want to maximise the room's usage and provide as many participation options for our users.
- Casual users will be required to leave the Dance Room 15 minutes prior to any Group Exercise Classes to allow instructors to set up
- Please do not wear heels or shoes with marking soles that can damage the Dance Room Floor. Ensure any equipment you use does not damage the space and is tidied away when you are finished.
- The stereo system and microphones are for staff use only. Please refrain from using them.

If you have any questions, or notice any issues please to feel free to come and talk to a staff member
